AIMOL Streetline 5W-40

Full synthetic motor oil for gasoline and diesel engines of passenger cars, vans

APPLICATION

AIMOL Streetline 5W-40 is a top quality full synthetic motor oil of the latest generation for all passenger cars, vans petrol and diesel engines with or without catalytic converter and/or turbocharger. It is especially indicated for high output engines operating under severe temperature and use conditions. Thanks to its viscosity grade, guarantees a quick oil circulation in all moving parts at the engine start independently from external temperature, even in extreme conditions.
This product allows the engine to be properly lubricated either in cold start at extremely Low temperatures or in case of motorway driving with high temperature.
